## ***GVCC FUN FACTS***

Did you know...

That the present Club House was built on the foundation of the old Pomeroy's Club House that was destroyed by fire. This building has been standing since 1928 and at one point, there were two bowling alleys and billiard tables.

**The Scoop on Social memberships:** The Green Valley Country Club now offers the opportunity for folks to join our Club as Social Members. The new Social Membership will open the doors for more people in Berks County to enjoy our dining rooms, bars and Club events. We need members to "spread the news" to friends and family!

Social members cannot utilize the pool, nor do they have member equity or voting rights. The annual cost for the Social Membership is \$50 for an individual and \$90 for a couple. Invite your friends to join today! Call Cindy at the Green Valley Office to join 610.678.8811.
